Notes

- 1) Expected outcomes and benchmarks in this scorecard are derived from the LaShawn Implementation Plan established by the Federal Court Order in 2003. These outcomes are specified on the last two pages of this scorecard. The original LaShawn Implementation Plan is also available on the CFSA web site.
- 2) Data presented in this scorecard was extracted from reports in FACES, CFSA's client information management system. FACES produces monthly reports to monitor performance data on the 15th of the month following the month of the report. The FACES report number for each outcome is indicated in that respective outcome chart.

Notes

- 1) This table does not include placement agencies that do not have case management (CM) responsibility.
- 2) Thirty-two (32) placement slots of the 'Helping Children Grow' include 14 slots under the 'medically fragile/complex' placement contract in addition to 18 slots under the 'specialized' placement contract.
- 3) Of the 113 placement slots of the 'Lutheran Social Service', only 68 slots are contracted capacities and the remaining 45 slots are for those youth who are referred by the District of Columbia Refugee Unaccompanied Minors Program (RUMP).
- 4) These 68 placement slots of the 'National Centre for Children & Families (NCCF) – Family Intervention Program (FIP)' were initially contracted with the For Love of Children (FLOC), which has been merged by NCCF.

1. Case Plans – In-Home

Percentage of In-Home Cases with Current Family Case Plans (FACES CMT164)

2. Case Plans – Foster Care

Percentage of Foster Care Cases with Current Child-Specific Case Plans (FACES CMT163)

3. Visitation – In Home

Percentage of Children in Home who had at least Monthly Visit by Social Worker (FACES CMT166)

Note: Above charts illustrate compliance with monthly visits. The Implementation Plan requires twice monthly visits in 50% of cases by 6/30/06.

4. Visitation – Foster Care

Percentage of Children in Foster Care who had at least Monthly Visit by Social Worker (FACES CMT165)

Note: The Implementation Plan requires bi-weekly (twice monthly) visits. However, above charts illustrate compliance with monthly visits. A FACES report is being created to track compliance with bi-weekly visits.

5. Visitation – Siblings

Percentage of Children who had at least Twice Monthly Visitation with Some or All of Their Siblings (FACES CMT219)

6. Visitation – Parent-Child for Reunification

Percentage of Children with Goal of Reunification who had at least Monthly Visit with their Parents (FACES CMT012)

Note: The Implementation Plan requires weekly visits in all cases by 6/30/06. However, above charts illustrate compliance with monthly visits. Until performance improves with monthly visits, weekly visits will not be included in this scorecard.

7. Visitation – Parent-Worker

Percentage of Parents who had Two Visits by Workers for their Children with Goal of Reunification (FACES CMT267)

8. Visitation – First Eight Weeks

Percentage of Children who had Weekly Visits during their First 8 Weeks of Placement (FACES CMT014)

9. Licensed Foster Homes
